To all students at Bessie Nichols,

I hope you enjoy these treasured memories of your year at Bessie Nichols School. It has truly been an incredible year and I trust a rewarding learning experience!

In this past year, we worked together to establish a school Mission that we can take pride in and live by for years to come.

ONE COMMUNITY
INFINITE POSSIBILITIES
LEARNING AND LEADING

As I walk the halls of Bessie Nichols, I see students, staff and parents living our Mission every day. I see you contributing to building a strong sense of community by ensuring that everyone feels welcome and connected. You approach challenges, both in learning and in life, by considering the infinite possibilities promoting creativity and innovation. Through our focus on developing essential competencies, it has been a pleasure watching you continue to develop as strong, confident learners and leaders at school and within our community. You need to know that you truly inspire us as educators each and every day.

For those students returning to Bessie Nichols, I look forward to seeing you in September. For those leaving us, I wish you well in your future educational endeavors and life's journey. It has been a pleasure to be a part of your educational experience. I also wish our grade nine students all the best as they transition to high school, which I am confident will be an exciting experience and a memorable time of your life. Embrace it!

To everyone at Bessie Nichols, I would like to say a sincere thank you for another successful year. We could not accomplish the things we do without the combined and committed efforts of students, staff and parents. In the words of our newly established Student Council, thank you for making every day a day to remember at Bessie Nichols.

Enjoy the summer and for those returning, we will see you in September!

Yours in Learning,

A handwritten signature in black ink, appearing to read 'P. Martyn'.

on target

Target opened its doors in 124 stores across Canada. The international expansion was initially challenging because some consumers were unhappy with the store's product offering and prices. Target entered the Canadian market by taking over leases at Zellers Inc. locations.

north india floods

Violent rains caused devastating floods and landslides in the northern Indian state of Uttarakhand. Over 5,700 people lost their lives as a result.

fond farewell

Britain's first female prime minister, Margaret Thatcher, passed away at the age of 87. She served for 11 years and was known as the "Iron Lady" for her tough leadership style.

typhoon haiyan

Typhoon Haiyan, one of the strongest tropical cyclones ever, slammed into the Philippines on November 8 with winds up to 300 kph. More than 6,000 people lost their lives and over 4 million were displaced.

marathon bombings

Two bombs exploded near the finish line of the Boston Marathon. The act caused 3 fatalities and over 200 injuries.

sink or swim

Sixty-four-year-old Diana Nyad became the first person to swim from Cuba to Florida without a protective shark cage. The 177 km swim took 53 hours.

#twittergoespublic

The social media site Twitter went public. The first day's stock opened at \$45.10, which was 73% above its initial offering price.

mandela's legacy

People around the world mourned the loss of Nelson Mandela, who passed away at age 95. Mandela was an anti-apartheid icon who spent 27 years in prison for political activities, and later became South Africa's 1st black president. Thousands of people gathered for a memorial in Johannesburg to honour and celebrate his life.

it's a boy!

Royal parents Prince William and Duchess Kate welcomed baby boy George. The prince was born July 22 at St Mary's Hospital in London weighing in at 8 lbs., 6 oz.

teddy olinguito

Scientists discovered a new mammal species, the olinguito. The animal is red-orange in colour with a teddy bear face; it weighs 2 lbs. and is 36 centimeters long. The creature lives in the cloud forests of Ecuador and Colombia, and it is the 1st carnivore mammal species to be newly identified in 35 years.

tech topics

flying high

New Zealand aviation regulators approved an experimental flight permit for a personal jetpack. The permit allows creators to conduct manned test flights that are restricted to no higher than 6 meters off the ground or 7.5 meters above the water. After testing, the jetpack will be available to first responders who may benefit from an aerial view.

bionic ear

Scientists at Princeton University created an artificial ear by combining cow tissue and materials printed from a 3D printer. The ear can hear frequencies 1 million times higher than the human ear.

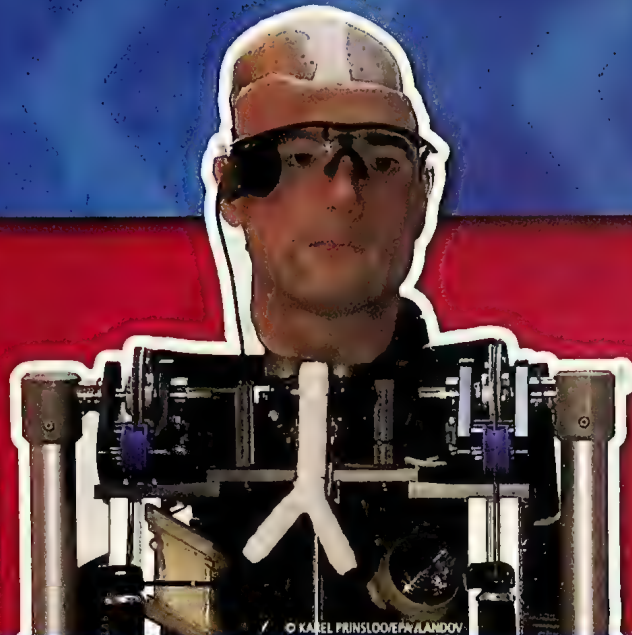

glow me the way home

A glow-in-the-dark material called Starpath was tested to light up pathways at night. The coating is sprayed onto a path's surface; it absorbs light during the day and gives off an illuminating glow when it gets dark outside.

a new view

Samsung's OLED TV hit the market for \$9,000. The TV's curved shape let viewers see more of the screen and exclusively offered multi-viewing capabilities for watching different shows on the same screen.

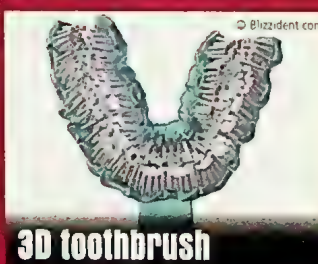

million dollar man

Robotic engineers Rich Walker and Matthew Godden led the development of the first bionic man, which was constructed of prosthetic body parts and factory-made organs. The robot cost \$1 million to build and it can walk, talk and breathe. The purpose of the project was to show human prosthetic advancement.

phonebloks

Dave Hakkens' Phonebloks captured the public's attention as a revolutionary concept in the smartphone industry. The phone parts are called "bloks" and fit together like Legos®. When consumers need a new phone upgrade or replacement part, they add a new piece to their phone. The project's aim was to reduce global electronic waste.

3D toothbrush

The Blizzident toothbrush created a new way to brush teeth. Using a model of the person's teeth, a mouthguard device is made with 3D printing technology. Users bite down on the brush and grind their teeth for 6 seconds to clean them. The toothbrush sells for \$299.
